Matrix Community App

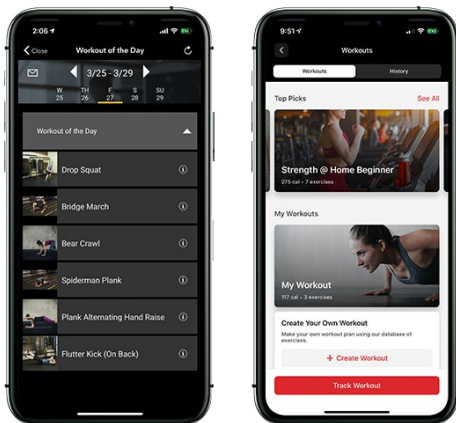

You're striving to support your members during this uncertain time, and as your total solutions partner, Matrix has created a vibrant virtual fitness community that's totally free.

- Active fitness network engages members with exclusive workouts, community challenges and much more
- Compatible with popular apps and wearables and syncs data
- Developed in coordination with EGYM using their branded member technology
- Activation kit includes promotional materials

Start Building Your Community

Get your free activation kit for the Matrix Community app today, and start connecting your members to a new kind of fitness community.
