YMCA Leaders, Volunteers and Members,

On behalf of Octane Fitness, I want to thank each of you and your YMCA staffs for what you are doing in your communities right now. When many places have been forced to shut down due to the COVID-19 Pandemic, you have picked up the ball to provide a valuable resource to those who are most in need in a time of crisis. The leadership and compassion being shown by the YMCA nationally makes those of us at Octane very proud that we have been able to partner with and support many of your association's over the years.

In an effort to continue to provide a healthy lifestyle for you and your members while we're all stuck at home, Octane has created a promo offering our commercial and consumer grade products for 15% off to all YMCA Staff and Members through Memorial Day. Please inquire to my direct email: tdoden@octanefitness.com.

Thanks again,
Octane Fitness
